- 12. Construction work will begin on or before _____ completed and able to carry water _____
- 13. Construction work will be completed on or before _____ completed
- 14. The water will be completely applied to the proposed use on or before _____

Pleasant View Irrigation Co.
 (Signature of applicant)
Bert P. Swartz 19____

Remarks: This water is supplemental to the present Pleasant View water supply as shown per attached sheets under paragraph 8.

In accordance with the terms of the 1911 Act, Chapter 11, Laws of Oregon, and the procedure in 1922, P. 77, Chapter 21, Laws of Oregon, the State Engineer has examined the application to augment supply and has found that 1/2 acre of _____ to properly irrigate _____

STATE OF OREGON, }
 County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for _____

In order to retain its priority, this application must be returned to the State Engineer with corrections on or before _____, 19_____

WITNESS my hand this _____ day of _____, 19_____

PERMIT

STATE OF OREGON, }
County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 31.18 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Little Walla Walla River

The use to which this water is to be applied is supplemental irrigation

If for irrigation, this appropriation shall be limited to ~~0.0375~~ 0.0375 of one cubic foot per second or its equivalent for each acre irrigated; provided further that the amount of water allowed herein, together with the amount secured under any other right existing for the same lands shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is January 16, 1959

Actual construction work shall begin on or before April 15, 1960 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1960

Complete application of the water to the proposed use shall be made on or before October 1, 1961

WITNESS my hand this 15th day of April, 1959

STATE ENGINEER
