Permit No 26308

## STATE ENGINEER SALEH OF Appropriate the Public Waters of the State of Oregon

I, John Edwin Growley	*
(Figure of applicant)	
Of Sit July (Maling address)	
State of Oregon, do hereby make application for a perm	it to appropriate the
following described public waters of the State of Oregon, SUBJECT TO EXISTING	
If the applicant is a corporation, give date and place of incorporation	
I. The source of the proposed appropriation is East Fork Coquille R	i var
(Name of stream), a tributary of Na. Fa. Coquilla B	
· · · · · · · · · · · · · · · · · · ·	
2. The amount of water which the applicant intends to apply to beneficial use is	44/80
cubic feet per second. (If water is to be used from more than one source, give quantity from	each)
**3. The use to which the water is to be applied isirrigation	•
(Brigation, power, mining, manufacturing	g, domestic supplies, etc.)
4. The point of diversion is located 880.0 ft	from the 2 F
corner of SM2 of the SR2 of Section 10, T. 28 S., R. 10 W.	from the Dare.
An 1 inch reference post stands 860.0 ft. north and 74	3.0 ft west
of the same point.	
19 martinally	,
(If preferable, give distance and bearing to section corner)	
(If there is more than one point of diversion, each must be described. Use separate sheet if necessary being within the SNI of the SRI of the SRI OF SEC.	
(Give smallest legal subdivision)	Tp. 28 S.,
R. 10 W. M., in the county of COOS	
5. The pipe line (Main ditch, canal or pipe line) to be 2200 ft	<b>.</b>
in length, terminating in the NN 0.1 the NE2 of Sec. 15	es or feet)
R. 10 W., W. M., the proposed location being shown throughout on the accom	(N. ors)
(E. or W.)	panying map.
DESCRIPTION OF WORKS	
•	t, length at bottom
