STATE OF OREGON,

County of Marion

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.02 cubic feet per second, or its equivalent in case of rotation.

The priority date of this permit is September 8, 1915

Actual construction work shall begin on or before September 18, 1915

and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1916

Complete application of the water to the proposed use shall be made on or before

October 1, 1917

WITNESS my hand this 18th day of September, 1915

John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Sec. 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Laws of 1915.
