13. Construction work will be completed on or before September 20

14. The water will be completely applied to the proposed use on or before now being used

Edmund Leech
(Signature of applicant)
Virginia Leech

Remarks: We are applying for stock water use on the property herein described and a basin in the rocks has already been built and been in use by us and our predecessors for many years back possibly as far as 1900. We contemplate immediately running a small pipeline to water troughs from a small basin that is approximately 20' long and 10' wide.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for completion by attachment of tracing.

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before January 4, 1959.

WITNESS my hand this 2nd day of November, 1959.

LEWIS A. STUBBS
STATE ENGINEER

By *Walter H. Perry*
Walter H. Perry
ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from unnamed stream

The use to which this water is to be applied is stock

If for irrigation, this appropriation shall be limited to - - of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is March 28, 1960

Actual construction work shall begin on or before May 13, 1961 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1962

Complete application of the water to the proposed use shall be made on or before October 1, 1963

WITNESS my hand this 13th day of May, 1960

Lewis A. Stanley STATE ENGINEER
