STATE ENGINEER

By _____ ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.26 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Elk Creek and East Fork Elk Creek; water to be diverted from East Fork of Elk Creek when available, any deficiency in available supply to be made up from Elk Creek.

The use to which this water is to be applied is domestic use in school and irrigation; being 0.12 c.f.s. for domestic and 0.14 c.f.s. for irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year; water to be diverted from East Fork of Elk Creek when available and any deficiency in the available supply in East Fork of Elk Creek is to be made up by diversion from Elk Creek, providing the total quantity diverted from both streams shall not exceed 1/80th c.f.s. for each acre irrigated.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is March 1, 1960
Actual construction work shall begin on or before May 13, 1961 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1961.

Complete application of the water to the proposed use shall be made on or before October 1, 1961.

WITNESS my hand this 13th day of May, 1960.

STATE ENGINEER
