A H Gauntlett
(Name of applicant)

Signed in the presence of us as witnesses:

(1) Chas. Starr
(Name) (Address of witness)

(2) Collier H Buffington
(Name) (Address of witness)

Remarks: This water is now used by applicant for purposes mentioned. Construction work mentioned above is to be merely enlargement and reconstruction of existing works. Reservoir mentioned above is to be in the nature of point of distribution, although it is intended that at times of low water the reservoir will store water during night for use in the daytime. Reservoir is to be of concrete about 20 feet square and eight feet deep.

\$8.00

STATE OF OREGON, County of Marion ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The use of the water under this permit shall be limited to water for domestic purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 0.1 cubic feet per second, or its equivalent in case of rotation.

The priority date of this permit is October 27, 1915

Actual construction work shall begin on or before November 5, 1916

and shall thereafter be prosecuted with reasonable diligence and be completed on or before

June 1, 1917

Complete application of the water to the proposed use shall be made on or before

October 1, 1918

WITNESS my hand this 5th day of November, 1915

John H Lewis

State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Sec. 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Laws of 1915.
