

## \*APPLICATION FOR PERMIT

## To Appropriate the Public Waters of the State of Oregon

I, Horace L. and Mirlar h. Fal	ling f applicant)
of P. C. Box 67, Eagle Point,	
State of Cresson do hereb	ry make application for a permit to appropriate the
following described public waters of the State of Oreg	
If the applicant is a corporation, give date and p	
1. The source of the proposed appropriation is	Roste hiver
	(Name of stream)
2. The amount of water which the applicant inte	
	rom more than one source, give quantity from each)
**3. The use to which the water is to be applied is	(Brigation, power, mining, manufacturing, domestic supplies, etc.)
· · · · · · · · · · · · · · · · · · ·	
4. The point of diversion is located 1999 ft.	
corner ofName notof Section 32	B or subdivision)
-	
(If preferable, give distance and	
(If there is more than one point of diversion, each must being within the	
being within the (Give smallest legal subdivision)	of Sec, Tp, (N. or s.)
R. W. M., in the county of	
5. The (Main ditch, canal or pipe line)	
in length, terminating in the	
R	
DESCRIPTION	OF WORKS
Diversion Works—	,
	gth on top feet, length at bottom
feet; material to be used and character	r of construction (Loose rock, concrete masonry,
rock and brush, timber crib, etc., wasteway over or around dam)	
(b) Description of headgate	
(13)	
(c) If water is to be pumped give general descrip	otion
(Size and type of engine or motor to be used	
(Size and type of engine or motor to be used	total head water is to be lifted, etc )

<sup>&</sup>quot;A different form of application is provided where storage works are contemplated.

"Application for permits to appropriate water for the generation of electricity, with the exception of municipalities, must be made to the Rydroelectric Commission. Either of the above forms may be secured, without cost, together with instructions by addressing the State Engineer, Salem
