- 14. The water will be completely applied to the proposed use on or before June 61

If weather turns dry will want to irrigate by May 15 -
Eduj Muschwander
(Signature of applicant)

Remarks:

As you can see by map the creek lays in a sharp curve & there has been several acres cleared but as it floods a pond of willow set has been left along edge of creek - about 2/3 of bank of creek & orchard is in center of clearing & we will be wanting to water - between willow creek edge & orchard -
The blue berries are near the suction point & pasture on west & garden lays along the west side

STATE OF OREGON, }
County of Marion, } ss.

STATE ENGINEER

By _____

ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, }

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.04 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Crabtree Creek

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is April 27, 1961

Actual construction work shall begin on or before June 26, 1962 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1963

Complete application of the water to the proposed use shall be made on or before October 1, 1964

WITNESS my hand this 26th day of June, 1961

Louisa A. Stanley
STATE ENGINEER
