			NW 1/4 of Sec. 15, T. 22 N., R. 1 E., W. 1 M.	40
			SE 1/4 of Sec. 16, T. 22 N., R. 1 E., W. 1 M.	40
			SW 1/4 of Sec. 16, T. 22 N., R. 1 E., W. 1 M.	40
			NE 1/4 of Sec. 16, T. 22 N., R. 1 E., W. 1 M.	40
			NW 1/4 of Sec. 16, T. 22 N., R. 1 E., W. 1 M.	40

(If more space required, attach separate sheet)

(a) Character of soil

(b) Kind of crops raised

Power or Mining Purposes—

9. (a) Total amount of power to be developed theoretical horsepower.

(b) Quantity of water to be used for power sec. ft.

(c) Total fall to be utilized feet.
(Head)

(d) The nature of the works by means of which the power is to be developed

(e) Such works to be located in of Sec.

Tp. R. W. M.

(No N or S) (No E or W)

(f) Is water to be returned to any stream?
(Yes or No)

(g) If so, name stream and locate point of return

Sec. Tp. R. W. M.
(No N or S) (No E or W)

(h) The use to which power is to be applied is

(i) The nature of the mines to be served

10. (a) To supply the ~~water~~ three rentals of Frank Binder and Nellie Binder and homes of four neighbors, being just west of City of Elton, in Douglas County, having a present population of 20 more or less counting children and an estimated population of 15 in 1961. Some rentals vacant.

(b) If for domestic use state number of families to be supplied when all rentals are filled, seven families will use water from "Seett Spring".

(Answer questions 11, 12, 13, and 14 in all cases)

11. Estimated cost of proposed works, \$2,000.00

12. Construction work will begin on or before Completed by Binder and neighbors jointly and all share in water. "Seett Spring" on Frank Binder and Nellie Binder land.

13. Construction work will be completed on or before Completed

14. The water will be completely applied to the proposed use on or before Have used for several years. Did not realize that water right necessary until recently. Also, might sell main ranch, and want to reserve easement to spring for parcel of land described herein.

(Signature of applicant)

Remarks: The water used hereunder is simply for domestic purposes. Frank Binder and wife own a large ranch and immediately north of the premises as set out on description hereto attached. Applicants are intending to sell said ranch and since said spring comes from said ranch, they feel that they should obtain water right before said sale. They are retaining the property described in the description hereto attached.

STATE ENGINEER

ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.07 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from two springs known as Scott Springs.

The use to which this water is to be applied is domestic use of seven families.

If for irrigation, this appropriation shall be limited to - - of one cubic foot per second or its equivalent for each acre irrigated.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is February 27, 1961.

Actual construction work shall begin on or before September 11, 1962 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19⁶³.

Complete application of the water to the proposed use shall be made on or before October 1, 19⁶⁴.

WITNESS my hand this 11th day of September, 19 61.
