LEWIS A. STANLEY
STATE ENGINEER

1961
By Walter N. Perry
Walter N. Perry
ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.35 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Green Creek; water to be diverted from Green Creek when available and any deficiency in the available supply in Green Creek is to be made up by diversion from Frank River, providing that the total quantity diverted from both streams shall not exceed 0.35 c.f.s.

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/800 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 24, 1961

Actual construction work shall begin on or before December 4, 1962 and shall

thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1963.

Complete application of the water to the proposed use shall be made on or before October 1, 1964

WITNESS my hand this 4th day of December, 1961
