Jack W. Stamper
(Signature of applicant) ✓

Remarks: ~~Mr. Stamper now leases a piece of land from the Forest Service. Recently he has purchased a piece just North of the leasehold (Lot 7, Sec. 6, T35S, R11W) on which he will run livestock for the time being but eventually will build on.~~

EXCERPT

At present I intend to run four head of cattle, put in a watering trough, with automatic valve. Some time in the future, I intend to build a house and then will use water for same and a small garden for immediate sustenance.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for completion

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before January 2, 19 62.

WITNESS my hand this 30th day of October, 19 61.

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.02 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from unnamed creek, being 0.01 c.f.s. for stock and 0.01 c.f.s. for domestic

The use to which this water is to be applied is domestic use of one family and stock; provided further that the right to use of water for stock is limited to the period when the flow in the Rogue River is more than 735 c.f.s. at its mouth,

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. October 18, 1961 for 0.01 c.f.s.

The priority date of this permit is November 8, 1961 for 0.01 c.f.s.

Actual construction work shall begin on or before January 9, 1963 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1963.

Complete application of the water to the proposed use shall be made on or before October 1, 1964

WITNESS my hand this 9th day of January 1962
