Remarks: Enclose please find a copy of affidavit on file in Benton County as stated in it. This same creek was used for stock watering & for irrigating by my farther (John G Kauffman) from who I Bought this farm, and was used by my self this season of 1961. And so has been used each year, in this manner from date sworn in affidavit untill now (Nov 30, 1961) and has not been used west of here for irrigation, but has been used for stock water. Now this affidavit should uphold a certian vestive right, or claim to use some of this water. Now this application for a permit to appropriate public water of the state of Oregon, is intended as a request for more water than has been used prior to this date, and if possible, to use the enclosed affidavit as a support to this Request. How ever I do not wish to forfeit any benifit that might exist and be supported by this affidavit, Ronald Lee Kauffman
