(Signature of applicant)

Remarks: The right upon which this application is based was acquired by purchase from the Camp Creek Water Company, the owner of Camp Creek Reservoir. It is evidenced by a so called "Certificate of Water Right" dated February 7, 1934, and issued by the Camp Creek Water Company in favor of Herbert Trimble and or Marguerite L. Trimble, his wife, applicant's predecessors in interest and ownership of the lands above described ^{to} which the water is appurtenant. Copy of this "Certificate of Water Right" has been heretofore furnished your office. While the priority of this supplemental application must as applicant understands date from the time of its filing in 1962, priority of the right to use the water relates back to the date of the reservoir application and permit as ultimately confirmed and established by the certificate to be issued thereon.
