Under chapters 11, 12, 13, and 14 in all cases

11. Estimated cost of proposed works, \$ 3500

12. Construction work will begin on or before Oct 1 1962

13. Construction work will be completed on or before Nov 1 1962

14. The water will be completely applied to the proposed use on or before Feb 1 1963

Geo. S. Good
(Signature of applicant)
George Good

Remarks: The above water usage is intended for house-
hold use only in our retirement home, to be built in
Jan 1963. The point of diversion is on property owned
by ourselves. The property directly to the north of us
and the source of stream is on county owned land.
There are no known users of water from this unnamed
stream from our south property line to its conjunction
with Wolf Creek.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for _____

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before _____, 19____

WITNESS my hand this _____ day of _____, 19____

STATE ENGINEER

By _____ ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right hereto granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed stream

The use to which this water is to be applied is domestic use of one family

If for irrigation, this appropriation shall be limited to - - of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is October 1, 1962

Actual construction work shall begin on or before January 24, 1964 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1964

Complete application of the water to the proposed use shall be made on or before October 1, 1965

WITNESS my hand this 24th day of January, 1963
