STATE ENGINEER

By _____ ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use 17.70 acre feet of stored water only measured and shall not exceed ... at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a reservoir to be constructed under application No. R-37776, permit No. R-3160.

The use to which this water is to be applied is irrigation and supplemental irrigation

2 1/2 acre feet stored water

If for irrigation, this appropriation shall be limited to ... for each acre irrigated during the irrigation season of each year; provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is July 3, 1962

Actual construction work shall begin on or before February 20, 1964 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1964

Complete application of the water to the proposed use shall be made on or before October 1, 1965

WITNESS my hand this 20th day of February, 1963

Chris L. Wheeler STATE ENGINEER
