STATE OF OREGON, {
County of Marion, ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before 19

WITNESS my hand this day of 19

STATE ENGINEER

By ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from Kellogg Creek.

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/808 of one cubic foot per
second or its equivalent for each acre irrigated and shall be further limited to a diversion
of not to exceed $2\frac{1}{2}$ acre feet per acre for each acre irrigated during the irrigation
season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is October 16, 1962

Actual construction work shall begin on or before February 15, 1964 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1964.

Complete application of the water to the proposed use shall be made on or before October 1, 1965.

WITNESS my hand this 15th day of February, 1963

Chris L. Wheeler
STATE ENGINEER
