Herbert Lee and George P. Hunsing
(Signature of applicant)

Remarks:

Corp of Engineers has Re Built the River front on one place, which in order to get the Rocks for long work on River had to go through the yard. The Big Trucks tore the yard up so we expect to have our irrigation work started By April of our work done around May 31ST 63 We will use the water after we are completed September 1st or Before.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for completion

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before February 10, 1963
March 18 63

WITNESS my hand this 19 day of December, 19 62
18 January 63

CHRIS L. WHEELER
STATE ENGINEER

By *Walter W. Hunsing*
ASSISTANT

STATE OF OREGON
COUNTY OF MARION

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Clackamas River

The use to which this water is to be applied is irrigation

If for irrigation, this appropriation shall be limited to 1/80th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is November 27, 1962

Actual construction work shall begin on or before March 15, 1964 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1964

Complete application of the water to the proposed use shall be made on or before October 1, 1965

WITNESS my hand this 15th day of March, 1963
