13. Construction work will be completed on or before

14. The water will be completely applied to the proposed use on or before already applied

Maria W. Wood
Maria W. Wood

(Signature of applicant)

Remarks: This application is made only for the purpose of making our claim to the right to continue use of this water a matter of record. The spring is located on our land and does not flow sufficient water to form a stream and does not flow off our land. Water from this spring has been used for domestic purposes at the location of the existing house since prior to 1909. Nothing in this application is to be interpreted to admit that the spring is public water, subject to appropriation or to waive our right to continued use by virtue of the actual use prior to 1909.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before, 19.....

WITNESS my hand this day of, 19.....

STATE ENGINEER

By

ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed spring

The use to which this water is to be applied is domestic use of one family, including irrigation of not to exceed 1/2 acre lawn and garden.

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is December 7, 1962

Actual construction work shall begin on or before April 30, 1964 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1965

Complete application of the water to the proposed use shall be made on or before October 1, 1966

WITNESS my hand this 30th day of April, 1963

Chris L. Hillier STATE ENGINEER
