Remarks: Dear Sir

I am told this property has been using water from
Little River for the past twenty years. I bought
the property in 1951 under the impression a
water right had been established. It appears
I have been misinformed. Since now I
have improved the various irrigation system
new pipe, new pump etc. at a cost of about \$1000
my hobby trees are seven years old & just
coming into production. I hope this data will
explain why I didn't answer question 13 & 14
