STATE OF OREGON, }  
County of Marion } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject to such reasonable rotation system as may be ordered by the proper State officer.

The use of the water under this permit shall be limited to water for irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial use and not to exceed 1.93 cubic feet per second, or its equivalent in case of rotation. The priority date of this permit is March 23, 1916

Actual construction work shall begin on or before April 24, 1917 and shall thereafter be prosecuted with reasonable diligence and be completed on or before June 1, 1918

Complete application of the water to the proposed use shall be made on or before October 1, 1920

WITNESS my hand this 24th day of April, 1916

John H Lewis  
State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Sec. 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Laws of 1915.
