## STATE OF OREGON.

County of Merion

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use .... cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from ...... Woods Creek The use to which this water is to be applied is \_\_\_\_\_irrigation second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 21/2 acre feet per acre for each acre irrigated during the irrigation and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. The priority date of this permit is August 12, 1963 Actual construction work shall begin on or before September 20, 1964 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.65.... Complete application of the water to the proposed use shall be made on or before October 1, 19.66 WITNESS my hand this ...... day of .......

Application No. 38972 Permit No. 28981

PERMÍT

office of the State Engineer at Salem, Oregon, This instrument was first received in the TO APPROPRIATE THE PUBLIC WATERS OF THE STATE on the 1.9 4 day of August OF OREGON 19 6.5, at ... Bill o'clock
