(Signature of applicant)

Remarks: This is a Gravity Flow system. It has been installed for the

for the past 10 years and is in good condition. The water right has never been filed
so the new owners would like to make it legal

This is a three acre plot out of a forty owned by William C. Gary. The small
stream originates on his property, also the piped water source is on his property.

There is no dispute or objection on Mr Garys part to the system.

ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.005 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unrun stream

The use to which this water is to be applied is domestic use of one family, including irrigation of not to exceed 1/2 acre lawn and garden.

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer

The priority date of this permit is August 23, 1963

Actual construction work shall begin on or before December 20, 1964 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1965

Complete application of the water to the proposed use shall be made on or before October 1, 1965

WITNESS my hand this 20th day of December 1963
