WITNESSETH that the above named applicant has been duly examined and found to be qualified to receive the permit herein granted, and that the same is subject to such terms and conditions as may be hereinafter set forth, and that the same shall be subject to such terms and conditions as may be hereinafter set forth.

Actual amount of water that is to be diverted from the public waters of the State of Oregon shall be as shown on the permit on file in the office of the State Engineer at Salem, Oregon.

The permit date of this permit is the date of the filing of this permit in the office of the State Engineer at Salem, Oregon.

and shall be subject to such terms and conditions as may be hereinafter set forth, and that the same shall be subject to such terms and conditions as may be hereinafter set forth.

If for any reason this appropriation shall be limited to less than the amount herein stated, the permittee shall be held liable for the amount of water actually diverted.

For use in which that water is to be used is as follows:
 second or its equivalent for each acre irrigated.
