*APPLICATION FOR PERMIT

To Appropriate the Public Waters of the State of Oregon

,	1, C. Barendrecht
of	R+3 Dox 170 Rickseall
State	of
jollou	ping described public waters of the State of Oregon, SUBJECT TO EXISTING RIGHTS:
	If the applicant is a corporation, give date and place of incorporation

	1. The source of the proposed appropriation is Rickyeal Creek
***********	, a tributary of Willow ette R
	2. The amount of water which the applicant intends to apply to beneficial use is
cubic	feet per second
•	(If water is to be used from more than one source; give quantity from each) 3. The use to which the water is to be applied is
•	(Brigation, power, mining, manufacturing, domestic supplies, etc.)
	4. The point of diversion is located 32 to 15 and 25 to 15 from the SC (R or W)
, 	(K. or W.)
come	(Scoled from finis/ proof map Per 18419)
***************************************	Ocaled transfer of Yer 18419)
	(If preferable, give distance and bearing to section corner)
**********	(22 preservable, give distance and bearing to section corner)
hain.	(If there is more than one point of diversion, each must be described. The separate short if necessary)
- verify	within the SE'14 SW 14 of Sec. 29 Tp. 75 (N. or S.)
R	(E e w), W. M., in the county of Police
	5. The Parto (2. to be (Miles or feet)
in len	gth, terminating in the
	(N. or 8.) (N. or 8.) (N. or 8.)
	(E. er W.)
Diver	DESCRIPTION OF WORKS
D. ,,,,	6. (a) Height of dam feet, length on top feet, length at bottom
••••••	feet; material to be used and character of construction
