Remarks: This dam has been in use for several years. The original application was made by James Daugherty Engineer for me but was not completed due to the loss of his eyesight for some time.

A portion of the fill around the smaller reservoir was rebuilt in summer of 1963 with verbal permission from State Engineer's office. This application is intended to replace the original application. The fees have been paid as evidenced by receipt #36580.

STATE OF OREGON, }
