	STATE ENGIN
Ву	

STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount	of water which can be applied to beneficial use
and shall not exceed	nd measured at the point of diversion from the
stream, or its equivalent in case of rotation with other u	outer users, from an unnamed draw tributary
of Clear Creek	
The use to which this water is to be applied is	
If for irrigation, this appropriation shall be limited	to 1/40th of one cubic foot per
second or its equivalent for each acre irrigated and shall	l be further limited to a diversion of
not to exceed 45 acre feet per acre for each	cre irrigated during the irrigation
season, provided further that the right allow	d herein shall be limited to any
deficiency in the available supply of any price	or right existing for the same land
and shall not exceed the limitation allowed be	
	•
and shall be subject to such reasonable rotation system a	s may be ordered by the proper state officer.
The priority date of this permit is	November 25, 1964
Actual construction work shall begin on or before	March 12, 1966 and shall
thereafter be prosecuted with reasonable diligence and	be completed on or before October 1, 1966
Complete application of the water to the proposed	use shall be made on or before October 1, 19.67.
WITNESS my hand this 12th day of	4.5
