APPLICATION FOR PERMIT

To appropriate the Public Waters of the State of Oregon

I, Eagle Point Irrigation District
(Name of applicant)
of P.O. Box 157, Eagle Point, Oregon
(Mailing address)
State of Oregon, do hereby make application for a permit to appropriate the

following described public waters of the State of Oregon, SUBJECT TO EXISTING RIGHTS:

If the applicant is a corporation, give date and place of incorporation

1. The source of the proposed appropriation is North & South Forks of Reese Creek & Reese Creek
(Name of stream)
a tributary of Rogue

2. The amount of water which the applicant intends to apply to beneficial use is 3.76
Being 0.86 c.f.s. from North Fork of Reese Creek; 1.66 c.f.s. from South Fork of Reese Creek; & 1.24 c.f.s. Reese Creek.
(If water is to be used from more than one source, give quantity from each)

3. The use to which the water is to be applied is Primary & Supplemental Irrigation
(Irrigation, power, mining, manufacturing, domestic supplies, etc.)

4. The point of diversion is located _____ ft. _____ and _____ ft. _____ from the corner of See attached
(Section or subdivision)

(If preferable, give distance and bearing to section corner)

(If there is more than one point of diversion, each must be described. Use separate sheet if necessary)

being within the _____ of Sec. _____, Tp. _____
(Give smallest legal subdivision) (N. or S.)

R. _____, W. M., in the county of Jackson
(R. or W.)

5. The _____ to be _____
(Main ditch, canal or pipe line) (Dikes or feet)
in length, terminating in the _____ of Sec. _____, Tp. _____
(Smallest legal subdivision) (N. or S.)

R. _____, W. M., the proposed location being shown throughout on the accompanying map.
(R. or W.)

DESCRIPTION OF WORKS

Diversion Works—

6. (a) Height of dam _____ feet, length on top _____ feet, length at bottom _____ feet; material to be used and character of construction Constructed
(Loose rock, concrete, masonry)

• To meet requirements of individual diversions
rock and brush, timber crib, etc., temporary cover or around dam)

(b) Description of headgate Diversions built each year to be constructed
(Timber, concrete, etc., number and size of openings)
of loose rock and earth.

(c) If water is to be pumped give general description _____
(Size and type of pump)

See Item A
(Size and type of engine or motor to be used, total head water to be lifted, etc.)

STATE ENGINEER

By _____ ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 3.76 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from North and South Forks of Reese Creek and Reese Creek; being 0.86 c.f.s. from North Fork Reese Creek, 1.66 c.f.s. from South Fork Reese Creek and 1.24 c.f.s. from Reese Creek.

The use to which this water is to be applied is irrigation and supplemental irrigation

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year; provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is March 4, 1965

Actual construction work shall begin on or before May 20, 1966 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1967

Complete application of the water to the proposed use shall be made on or before October 1, 1968

WITNESS my hand this 20th day of May, 1965
