Remarks: Permit No. 19841 for 29 acres was granted September 12, 1950 to Sidney Gates. The applicant herein is applying for 27.0 acres additional to permit No. 19841. The same points of diversion are being used. Referring to Permit No. 19841: it is noted that the final proof survey shows 5.8 acres in the SE $\frac{1}{4}$  SW $\frac{1}{4}$  and 0.6 acres in the SW $\frac{1}{4}$  SE $\frac{1}{4}$ , section 10. These two forties (Lots 15 and 16) are not owned by the applicant. Comparison with the aerial photos and with known property lines indicate that the irrigated lands under this permit are located too far South.
