(Answer questions 11, 12, 13, and 14 in all cases)

11. Estimated cost of proposed works, \$..200.00.....

12. Construction work will begin on or before Started.....

13. Construction work will be completed on or before October 1, 1966.....

14. The water will be completely applied to the proposed use on or before October 1, 1967.....

.....
.....
(Signature of applicant)
.....

Remarks: This application is made only for the purpose of making a record of our claim to the right to use water from this spring. The water from the spring does not form a stream and does not flow off our property. Nothing in this application is to be interpreted to admit that flow is public water subject to general appropriation.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before, 19.....

WITNESS my hand this day of, 19.....

.....
STATE ENGINEER

By ASSISTANT

PERMIT

STATE OF OREGON,

County of Marion,

ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a spring

The use to which this water is to be applied is stock

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 26, 1965

Actual construction work shall begin on or before March 21, 1967 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1967.

Complete application of the water to the proposed use shall be made on or before October 1, 1968.

WITNESS my hand this 21st day of March, 1966.

Chris L. Wheeler
