Remarks:

*There was a used 3 H.P. motor already here when we bought the place - also 10 pieces of old Iron I pipe of 200' of 1" iron pipe - also 5 or 6 (30 pieces) of 1" aluminum pipe & 6 sprinklers. We are going to try to get along with this used equipment this year <sup>1966</sup> as we cannot afford the expense of all new materials this year. We will have to buy all new Electric wire to hook up the motor as the old was all deteriorated. Will probably take \$8 wire & cost \$30. or so. We will expand <sup>to replace</sup> the watering facilities as we can afford it in the future. We already have 500 Rasp plants set out - 300 more berries to plant - also 175 strawberries planted. I hope this is sufficient information - Mrs. Hilda Weight*
