STATE OF OREGON, County of Marion,

> APPROPRIATE THE PUBLIC WATERS OF THE STATE

PERMIT

OF OREGON

00 o'clock

at B:

1966

Returned to applicant:

the 5.4h... day of ...

Application No. 4200

Permit No.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use stream, or its equivalent in case of rotation with other water users, from two unnamed streams being 0.48 cfs from north unnamed stream and 0.09 cfs from south unnamed stream The use to which this water is to be applied is ___irrigation_____ second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 22 acre feet per acre for each acre irrigated during the irrigation season of each year, and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. The priority date of this permit is April 5, 1966 Actual construction work shall begin on or before ______January 18, 1968 _____ and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.68. Extended to Oct. 1, 1969 Complete application of the water to the proposed use shall be made on or before October 1, 19.69.... WITNESS my hand this 18th day of January STATE ENGINEER office of the State Engineer at Salem, Oregon, This instrument was first received in the
