DELINED ROCENTE	CHRIS L.	WHEELER
DENSE ENGINEER SALEN ORE	VEVER DOMING	Lebrush

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed
stream, or its equivalent in case of rotation with other water users, from an unnamed stream with
any deficiency in the available supply from the unnamed stream to be made up by
appropriation from South Umpqua River provided that the total quantity diverted from both sources shall not exceed 0.01 cubic foot per second. The use to which this water is to be applied isdomestic use in one house and cafe
If for irrigation, this appropriation shall be limited to
second or its equivalent for each acre irrigated
·

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.
The priority date of this permit isJune 10, 1966
Actual construction work shall begin on or beforeMarch.23, 1968 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.68.
Complete application of the water to the proposed use shall be made on or before October 1, 19.69
WITNESS my hand this 23rd day of March 19 67.
