Remarks: Diversion No. 2 is the pumping point filed under certificate of water right No. 20817 issued October 10, 1958 now held by Ronald Rogers. Mr. Rogers rents the 5.5 acres of land shown on the map to be south of county road and the plan is for him to use his pumping point, equipment and access across the county road.

The two properties involved are contiguous. It is probably that a request will be made to pump all of the water requested in the application when Mr. Roger<sup>from diversion #1</sup> ceases to rent the land planned to be irrigated by Div. No. 2.
