Remarks: Property involved is that situated in three separate subdivisions fronting on Wallowa Lake. Property is being developed for sale as building lots for summer homes. There are at the present time approximately 30 hook-ons to the water system which is supplied from the source described above. The water line runs from the point of diversion at the reservoir to the lake shore, then along the shore in a northerly direction with three-quarter inch feeders running from the main line to dwellings built and to be built on the lake frontage.

Enclosed are three prints of Lake Shore Tracts, Lake Shore Tracts II and Lake Shore Tracts III.
