.....
John E. Walchli
(Signature of applicant)

Remarks: Permit No. 30373 has been issued to John E. Walchli in January, 1965. An Agreement has been entered into with John Walchli, which Agreement is attached hereto and made a part hereof, whereby the applicant can use, subject to certain limitations, Walchli's pump and pipeline facilities. Applicant will draw water out of a 6" gate valve onto a high point and irrigate by gravity.

Applicant agrees that water will only be withdrawn during the period of May 1 to September 1 with the prior consent of the owner of the pump and pipeline facilities as to the amount of withdrawal and the time of withdrawal. From September 1 to May 1 water may be withdrawn without the prior consent of the owner of the pump and pipeline facilities.

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for Completion.....

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before November 13th....., 19 67.

WITNESS my hand this 13th day of September....., 1967.....

CHRIS L. WHEELER STATE ENGINEER
By *Chris L. Wheeler* ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.475 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from an unnamed stream

The use to which this water is to be applied is supplemental irrigation

If for irrigation, this appropriation shall be limited to 1/40th of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 4 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year, provided further that the right allowed herein shall be limited to any deficiency in the available supply of any prior right existing for the same land and shall not exceed the limitation allowed herein.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is July 27, 1967

Actual construction work shall begin on or before December 22, 1968 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1969.

Complete application of the water to the proposed use shall be made on or before October 1, 1970.

WITNESS my hand this 22nd day of December, 1967
