STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed
stream, or its equivalent in case of rotation with other water users, from a spring
The use to which this water is to be applied is domestic use of one family including the
irrigation of not to exceed one-half acre lawn and garden
If for irrigation, this appropriation shall be limited to
second or its equivalent for each acre irrigated
·
and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.
The priority date of this permit isSeptember 28, 1967
Actual construction work shall begin on or before May 6, 1969 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19?
Complete application of the water to the proposed use shall be made on or before October 1, 19.71
WITNESS my hand this6th day of, 19_68
STATE ENGINEER
