By Sarry Wheeler State Engineer

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceed
stream, or its equivalent in case of rotation with other water users, fromMcKenzie River
The use to which this water is to be applied is _irrigation
If for irrigation, this appropriation shall be limited to
second or its equivalent for each acre irrigated and shall be further limited to a diversion of
not to exceed 2 acre feet per acre for each acre irrigated during the irrigation
season of each year,
······································
and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.
The priority date of this permit is May 15, 1968
Actual construction work shall begin on or before
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 19.70
Complete application of the water to the proposed use shall be made on or before October 1, 1971.
WITNESS my hand this 20th day of January, 1969.
