14. The water will be completely applied to the proposed use on or before completed - in use .....

..... 45 years.....

*Otis O. Rogers*  
(Signature of applicant)  
*Sorothy Madelyn Rogers*

Remarks: Spring is located on my Grandfather's original 360 A. homestead in 1859. Later, my father, Anson O. Rogers (Jr.) constructed this little summer home on the lower portion of the farm about 1920 and installed the water system at that time. The balance of the original homestead has been sold to Weyerhaeuser, and only this small portion has been retained.

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application, together with the accompanying maps and data, and return the same for ..... Corrections .....

In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before ~~October 9th~~, 19 ~~68~~.

October 28th 68

WITNESS my hand this ~~9th~~ day of ~~August~~, 19 ~~68~~.

PERMIT

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.01 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from a spring

The use to which this water is to be applied is domestic use of one family

If for irrigation, this appropriation shall be limited to \_\_\_\_\_ of one cubic foot per second or its equivalent for each acre irrigated \_\_\_\_\_

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is August 5, 1968

Actual construction work shall begin on or before March 19, 1970 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1970

Complete application of the water to the proposed use shall be made on or before October 1, 1971

WITNESS my hand this 19th day of March, 1969
