PERMIT

STATE OF OREGON, }  
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.018 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Cavitt Creek and Spring.

The use to which this water is to be applied is irrigation and the domestic use of one family, being 0.013 cfs for irrigation from Cavitt Creek and 0.005 cfs for domestic use from Spring.

If for irrigation, this appropriation shall be limited to 1/80 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion of not to exceed 2 1/2 acre feet per acre for each acre irrigated during the irrigation season of each year.

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. August 21, 1969 for Cavitt Creek and

The priority date of this permit is September 12, 1969 for Spring.

Actual construction work shall begin on or before June 4, 1971 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1972.

Complete application of the water to the proposed use shall be made on or before October 1, 1973.

WITNESS my hand this 4th day of June, 1970.
