Permits, on Page3462.
John H Lewis
State Engineer.  1 map RS
<b>\$8.00</b>

STATE OF OREGON,

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject

to such reasonable rotation system as may be ordered by the proper State officer.  The use of the water under this permit shall be limited to water for municipal				
purposes.				
The amount of water appropriated shall be lin	nited to the amount which can be applied to beneficial			
use and not to exceed	cubic feet per second, or its equivalent in case of			
rotation. The priority date of this permit is	August 7, 1917			
Actual construction work shall begin on or bej	fore August 24, 1918 and shall			
thereafter be prosecuted with reasonable diligence a	June 1, 1919			
Complete application of the water to the prope	osed use shall be made on or before			
	October 1, 1920			
WITNESS my hand this 24th day o	August, 1917			
	John H Lowis			

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

This form approved by the State Water Board, March 11, 1909.

State Engineer.
