STATE OF OREGON,

County of Marion,

\ ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject

to such reasonable rotation system as may be ordered to the use of the water under this permit	by the proper State officer		
purposes.			
The amount of water appropriated shall be limited	t to the amount which can be applied to beneficial		
use and not to exceed	cubic feet per second, or its equivalent in case of		
rotation. The priority date of this permit is	August 9, 1917		
Actual construction work shall begin on or before.	August 30, 1918		
thereafter be prosecuted with reasonable diligence and	be completed on or before		
	June 1, 1919		
Complete application of the water to the proposed	use shall be made on or before		
	October 1, 1920		
WITNESS my hand this 30th day of	August, 1917		
	John H Lewis		

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

This form approved by the State Water Board, March 11, 1909.
