STATE OF OREGON. County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed ......5.0 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Greeley, McDonald, and Keene Creeks, being 1.0 cfs from Greeley Creek and 4.0 cfs from McDonald Creek XEVERY With any deficiency in the available supply from Greeley or McDonald Creeks. to be made up by appropriation from Keene Creek provided that the total quantity diverted from all sources shall not exceed the limitations allowed herein. The use to which this water is to be applied is domestic use second or its equivalent for each acre irrigated ...... and shall be subject to such reasonable rotation system as may be ordered by the proper state officer. The priority date of this permit is ......October 6, 1969 Actual construction work shall begin on or before ......June 23, 1971 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1972... Complete application of the water to the proposed use shall be made on or before October 1, 19.73. WITNESS my hand this ......23rd...... day of ..... STATE ENGINEER APPROPRIATE THE PUBLIC

Application No. 4647,
