STATE OF OREGON, County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use						
and shall not exceedQ.01 cubic feet per second measured at the point of diversion from t						
tream, or its equivalent in case of rotation with other water users, froman unnamed creek						
The use to which this water is to be applied is for the domestic use of one family						
***************************************						
If for irrigation, this appropriation shall be limited to of one cubic foot per						
second or its equivalent for each acre irrigated						
and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.						
The priority date of this permit is December 23, 1969						
Actual construction work shall begin on or before August 11, 1971 and shall						
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1972						
Complete application of the water to the proposed use shall be made on or before October 1, 1973						
WITNESS my hand this 11th day of August 19.70.						
WITNESS my hand this 11th day of Avenst 19.70.
