WITNESS my hand this day of	f, 19, 19
	STATE ENGINE
	Ви

Municipal or Domestic Supply—

STATE OF OREGON, County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use
and shall not exceedQ.Q cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from John Day River
The use to which this water is to be applied is irrigation
If for irrigation, this appropriation shall be limited to 1/40 of one cubic foot per second or its equivalent for each acre irrigated and shall be further limited to a diversion
of not to exceed 5 acre feet per acre for each acre irrigated during the irrigation
season of each year,
and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.
The priority date of this permit isJune 3, 1970
Actual construction work shall begin on or before May 26, 1972 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1973
Complete application of the water to the proposed use shall be made on or before October 1, 1974.
WITNESS my hand this 26th day of May ,19.71
