STATE ENGINEER

By ASSISTANT

PERMIT

STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use and shall not exceed 0.10 cubic feet per second measured at the point of diversion from the stream, or its equivalent in case of rotation with other water users, from Mud Slough and Duck Pond to be constructed under application No. R-47047, permit No. R-5642

The use to which this water is to be applied is waterfowl habitat

If for irrigation, this appropriation shall be limited to of one cubic foot per second or its equivalent for each acre irrigated

The appropriation of water under the right allowed herein shall be limited to the period from October 1 to January 31 of each year and shall be subordinate and inferior to all future rights for beneficial consumptive use,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is June 5, 1970

Actual construction work shall begin on or before May 26, 1972 and shall thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1973.

Complete application of the water to the proposed use shall be made on or before October 1, 1974.

WITNESS my hand this 26th day of May, 1971.

Chris L. Wheeler
