STATE OF OREGON, }
County of Marion, } ss.

This is to certify that I have examined the foregoing application and do hereby grant the same, sub-
ject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to
one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject

to such reasonable rotation system as may be ordered by the proper State officer.
The use under this permit shall be limited to irrigation purposes.

The amount of water appropriated shall be limited to the amount which can be applied to beneficial
use and not to exceed 0.13 cubic feet per second, or its equivalent in case of

rotation. The priority date of this permit is September 26, 1917

Actual construction work shall begin on or before October 17, 1918 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before
June 1, 1919

Complete application of the water to the proposed use shall be made on or before
October 1, 1920

WITNESS my hand this 17th day of October, 1917

John H Lewis
State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6633, Lord's Oregon Laws, and the
payment of annual fees as provided in Chapter 213, Session Laws of 1915.
