In order to retain its priority, this application must be returned to the State Engineer, with corrections on or before, 19.....

WITNESS my hand this day of, 19.....

STATE ENGINEER

By ASSISTANT

PERMIT

STATE OF OREGON,
County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same,
SUBJECT TO EXISTING RIGHTS and the following limitations and conditions:

The right herein granted is limited to the amount of water which can be applied to beneficial use~
and shall not exceed 1.41 cubic feet per second measured at the point of diversion from the
stream, or its equivalent in case of rotation with other water users, from Grande Ronde River.....

The use to which this water is to be applied is irrigation and supplemental irrigation.....

If for irrigation, this appropriation shall be limited to 1/40 of one cubic foot per
second or its equivalent for each acre irrigated and shall be further limited to a diversion
of not to exceed $3\frac{1}{2}$ acre feet per acre for each acre irrigated during the irriga-
tion season of each year, provided further that the right allowed herein shall be.....
limited to any deficiency in the available supply of any prior right existing for
the same land and shall not exceed the limitation allowed herein,

and shall be subject to such reasonable rotation system as may be ordered by the proper state officer.

The priority date of this permit is January 4, 1970

Actual construction work shall begin on or before June 27, 1973 and shall
thereafter be prosecuted with reasonable diligence and be completed on or before October 1, 1974.

Complete application of the water to the proposed use shall be made on or before October 1, 1975.

WITNESS my hand this 27th day of June , 1972.
