STATE OF OREGON,

County of Marion,		
This is to certify that I have examined the foregoing application and do hereby grant the same, so ject to the following limitations and conditions: If for irrigation, this appropriation shall be limited one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subjected.		
to such reasonable rotation system as may be ordered by the proper State officer		
The right to the use of water herein granted is limited filling ponds for making		
natural ice.		
The amount of water appropriated shall be limited to the amount which can be applied to benefic		
use and not to exceed g.00 cubic feet per second, or its equivalent in case		
rotation. The priority date of this permit is December 7, 1917		
Actual construction work shall begin on or before January 3, 1919 and sh		
thereafter be prosecuted with reasonable diligence and be completed on or beforeJune 1, 1920		
Complete application of the water to the proposed use shall be made on or before		
October 1, 1921		
WITNESS my hand this, 3d day of January 1918		
John H Lewis		

Permits for power development are subject to the limitation of franchise as provided in Section 6683, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

State Engineer.

This form approved by the State Water Board, March 11, 1909.
