Remarks: This application is being submitted to correct and supplement
the information contained in Application #3652 for Permit #31527 dated Jan.
9, 1967.

The basic changes are the request for increased volume
and additional consumers.

These changes have been advised by Mr. David R. Weaver,
who is currently designing our system to our future needs for
the Oregon State Board of Health as per Oregon law.

The commercial use will be for a Marina and Travel Trailer court
as outlined in red in U.S. Lot 2 on enclosed plat. This will be
started as soon as the necessary permits have cleared the various
agencies.
