STATE OF OREGON,

angle ss.

County of Marion,

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions: If for irrigation, this appropriation shall be limited to one-eightieth of one cubic foot per second, or its equivalent, for each acre irrigated, and shall be subject

\$8.00

one-eightieth of one cubic foot per second, or its equiv	
to such reasonable rotation system as may be ordered	by the proper State officer
The right to the use of water herein g	ranted is limited to domestic purposes.
·	
The amount of water appropriated shall be limite	ed to the amount which can be applied to beneficial
. 0.1	
use and not to exceed	cubic feet per second, or its equivalent in case of December 18, 1917
rotation. The priority date of this permit is	······································
Actual construction work shall begin on or before	Jamuary 12, 1919 and shall
thereafter be prosecuted with reasonable diligence and	be completed on or before
	June 1, 1920
Complete application of the water to the proposed	l use shall be made on or before
, , , , , , , , , , , , , , , , , , , ,	October 1, 1921
WITNESS my hand thisday of	January, 1918
	John H Lewis
	State Engineer.

Permits for power development are subject to the limitation of franchise as provided in Section 6683, Lord's Oregon Laws, and the payment of annual fees as provided in Chapter 213, Session Laws of 1915.

This form approved by the State Water Board, March 11, 1909.
